## About Me

A passionate web3 enthusiasts with 3 years of experience in the web3 and Blockchain technology, making me a reliable asset for dynamic Blockchain start-ups. Responsible for facilitating and maintaining effective online communities to align with organization's goals. My passion for web3 fuels my commitment for personal growth and continuous learning.

## Experience

### **Protoverse December 2022 - October 2023**

#### *Community moderator/Ambassador*

Organizing webinars and online events, enhancing the community's knowledge about DeFi and blockchain. Participated in online forums, social media platforms, and Discord channels.

### **SaverToken August 2022 - September 2023**

#### *Community Manager*

I monitored discussions, answered questions, and maintained a friendly online environment. Fostered a positive atmosphere and knowledge sharing. I helped users understand the concepts of web 3.

### **Collie Inu August - October 2022**

#### *Community Manager*

Managed social media platforms, organized events, and fostered a positive online environment. Boosted brand presence and loyalty, enhancing the project's reputation.

### **ArnoldNFTs May - June 2020**

#### *Ambassador*
